04 March 2025

Motto for this year:
With HOPE we thrive in 2025.

*Life isn't about finding yourself. Life is
about creating yourself.*
GEORGE BERNARD SHAW

Dear Parents

Thank you to all who so generously supported the Readathon. An amount of R16 820 was collected and there are still a few outstanding forms. This will be well used to purchase plenty of new books for the library. Thank you so much for helping create a brighter future for our learners through improving their reading. As Dr Seuss says, "The more that you read, the more things you will know. The more that you learn, the more places you will go." Please encourage daily reading in your homes.

Extra-curricular Programme:

All extra-curricular activities for tomorrow, **Wednesday, 5 March**, is cancelled. The U13 cricket match against Herbert Hurd will be played on Thursday, 6 March, at our school. Please note that the **Judo will still continue** at 15:15 tomorrow.

SGB Bi-Election:

Elections will take place on 11 March 2025, from 07:00 till 14:30. Final nominations must be handed in at the office by Friday, 7 March 2025. To date we have received one nomination form. Looking forward to a successful voting day.

Family Day:

The BIG DAY is **this Saturday, 8 March**.

The learners are all geared up for the athletics that will take the form of modified Olympic events.

We are hoping to have events of learners versus parents and educators as well. So come ready to show the learners how athletic we are.

The PTA will be running a few stalls on the day. Order forms for food items were sent home for you to place your order and must be returned by tomorrow, Wednesday, 5 March. Catering will be according to the orders with very few extras.

Please come and join in the fun and support your child. Learner attendance is compulsory and a register will be taken on the day. Every child can accumulate house points by being present and by participating in various events. The first events start at 08:30, so learners must be at school from 08:00.

Learners must wear t-shirts of their house colour (blue, red or green) and their PT shorts.

Bring along your gazebo or sun umbrellas to avoid sitting in the hot sun for the morning. Also remember the sunblock and to be hydrated throughout the day.

Looking forward to seeing you all there.

Absenteeism:

Educators are concerned that there are many learners that are absent, especially at this stage when assessments are done. Learners who miss an assessment must provide a doctor's note in order to be given an opportunity to catch-up with the assessment. Please try not keep your child out of school but provide the educator with a certificate if it is absolutely necessary to keep him/her out of school.

P.T.O.

Other:

- The **Break the Rules civvies** that was planned for Friday, 7 March, is postponed to Thursday, 27 March.
- Parents must please ensure that their children wear the correct **uniform** as stated in the Code of Conduct. If there is any deviation, the parent must, in writing, request permission from the educator before the child is sent to school.
- **Bullying** is a constant issue in all schools and our school is no different even though we are forever discouraging it. We had the Kabega Park Police address the learners on this topic and the negative influence of cellphones and social media. Please speak to your child and support our fight to eradicate these issues at our school.
- There is no textbook for **parenting** and it is an extremely difficult role to fulfill, especially in today's society with all the influences that are in our children's faces. I am arranging with FAMSA to work with us. We are planning to have regular parenting workshops where parents can get together, listen to and share ways in which we can help our children to become the best versions of themselves. Details will be shared as soon as we have finalized all the arrangements.

Yours sincerely,

S.D. Cairncross
