24 February 2025

Dear Parents

Motto for this year:

With HOPE we thrive in 2025.

Forgiveness is not an occasional act. It is a permanent attitude.

MARTIN LUTHER KING, JR

We are in the seventh week of this term already with just five weeks left before the March holidays. The busy-ness of this term is not over yet. Besides the assessment programme, we have a few major events coming up.

Extra-curricular Programme:

Our humblest apologies, but the Extra-curricular programme had to be changed again due to the fixtures received from the tennis body. Please note the changes in the accompanying programme dated 17 February.

SGB Bi-Election:

Please see the accompanying Notice from Mr Barnard, the electoral officer.

Elections will take place on 11 March 2025, from 07:00 till 14:30. Final nominations must be handed in at the office by Friday, 7 March 2025.

Parents are expected to just do a quick pop in to complete the ballot and drop it in the box when they drop off or collect their children. It should literally be a two-minute action. Please take the time to have your say.

A short profile of all the candidates will be posted on the groups on the weekend before the voting so that you know who to vote for.

Looking forward to a successful voting day.

Readathon:

Our library is understocked and under-utilised and we want to revive it. We value reading and want to provide our learners with up-to-date literature that is suitable for all age groups. For a well-stocked library, we need additional funds.

Each learner has received a donation envelope to collect donations for the readathon that will take place on Friday, 28 February. All proceeds will go towards the upgrading of the library. Please show your support for this venture. Also note that any lost forms carry a penalty of R100.

Family Day:

In just two week's time, on 8 March, we are having a fun-filled day. We have decided to combine our "Athletics Day" with family orientated activities for the day.

The athletics will take the form of modified Olympic events. The learners are being coached during their Phys Ed lessons. Events will include short distance races, 'discus', 'shotput', 'javelin' and 'long jump'. The fun races will include ball in spoon races, sack races and many more.

We are hoping to have events of learners verses parents and educators as well.

The PTA will be running a few stalls on the day. Order forms for food items will be sent home for you to place your order to avoid disappointment on the day.

Please come and join in the fun and support your child. Learner attendance is compulsory and a register will be taken on the day. Every child can accumulate house points by being present and by participating in various events.

Yours sincerely,

S.D. Cairncross
